MILITARYSoviet Army NEURUPPIN(15 Jan - 14 Feb 57)

SECRET

1. At the exit of the FEHBELLINER STRASSE, 52.65, there is a relatively small training ground mainly for infantry, with wire obstacles, trenches, climbing walls, etc.

2. 30 Jan 57

At 11.00 hrs, approx. 30 men, black/red sbds, in fighting order were seen practising hand-grenade throwing.

3. At the same time target practice was in progress with 3 x 85mm. AA guns. The guns were in a triangular formation and dug in to an approximate depth of 1.4m., so that only the barrels could be seen.

TRAINING AREA GENTZRODE

4. 15 - 16 Jan 57

From 10.00 hrs, tank exercises took place. On each day approx. 15 AFVs comprising T-54, T-34/85 and JSU-152, took part.

5. The concentration area for these exercises was at 516.782. The AFVs moved off in a NW direction. 4 tanks led, covering a frontage of approx. 600m. (approx. 150m. between tanks). Approx. 200m. behind the leaders, 3 tanks followed, covering the gaps between the leading tanks, All groups took up this assault formation. All AFVs had extended acrials.

6. At approx. 506.726 the leading tanks halted and each fired a single shot. After firing, the tanks proceeded approx. 200 - 300m. and again fired from a stationary position. In no instance did the tanks fire all together.

7. 25 Jan 57

3 x JS tanks were seen camouflaged at 513.709. No manoeuvres were taking place at that time.

PIONIERLAGER GENTZRODE

8. This camp is located at an old estate 522.725. Some of the huts dismantled last year at the camp situated between SCHWEINRICH and ZECHLIN FLECKEN, have been erected here. In addition, in 1956 an officers' married quarter for 12 families, was built.

9. The strength of the Pioneerlager is estimated between 3,000 - 4,000 all ranks.

TRAINING ON MOLCHOW SEE

10. 11 Feb 57

An exercise with firing practice took place on both sides of the MOLCHOW SEE and in the area of KRANGEN. The following vehicles were observed to have taken part:

- (a) T-34/85 and JS-2.
- (b) APC 6 x 6 and "White APCs.
- (c) Amphibious vehicles.
- (d) 160mm. Mortars.
